There will be a game of base ball in that city on that day between the coming champions of the American Association and the Athletics, of Philadelphia.

Gloomy Weather.

This week has been remarkable for its gloomy weather, the sun scarcely having shown its face during the whole week. The Signal Service reports the first snow of the season at Fort Assiniboine, Montana, Thursday. There is a good sized cold wave brewing in the north-west that is said to be moving in this direction, and our farmers would do well to look out for a slight nip from Jack Frost.

Tobacco-growers go to R. K. McClure's and get you a suit of oil water-proof slickers to out your tobacco in.

The Concerts.

The Heine Concert Company gave two concerts in this city on Wednesday and Thursday, and, while not largely attended, they were extremely enjoyable. Mr. Heine's control of the violin is wonderful, and must be heard to be appreciated. Mrs. Heine, on the piano, was not far behind him in skill. Miss Heine, the daughter, also sang and played the violin. It was not to the credit of Frankfort that the Baptist Chapel was not full to overflowing, for a concert so excellent is very seldom heard outside of the large cities.

FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky as second-class matter.

Geo. A. Lewis, Editor and Publisher.

FRANKFORT, SEPTEMBER 13, 1890.

Constitutional Makers.

The Constitutional Convention met in this city at noon on Monday and was called to order by Gov. Buckner, when Hon. George Washington, of Covington, was made temporary chairman, and Geo. W. Castle, of Lawrence county, appointed temporary sergeant-at-arms. By resolution, Rev. Dr. J. M. Lewis, of Georgetown, was invited to open the Convention with prayer, and offered an eloquent address to the Throne of Grace. Then followed quite a discussion as to the manner of taking the oath of office, which was finally settled that members must take the same oath prescribed for members of the Legislature, and Chief Justice Holt, of the Court of Appeals, was, by resolution, invited to administer that oath. The question was then raised as to the right of Hon. John W. Lewis, who holds the certificate of election from Washington county, to take his seat, his right to the position being contested by Hon. W. C. McChord. After a great deal of time was wasted in discussion it was decided that he had a right to be sworn in, and all the members then came forward in parties of ten and had the oath of office administered to them by Chief Justice Holt, after which the Convention adjourned until Tuesday morning at 10 o'clock.

On Tuesday the organization of the Convention was completed by the election of the following officers: President—Hon. C. M. Clay, of Bourbon county.

Secretary—Capt. Thos. G. Poore, of Hickman county.

Assistant Secretary—Capt. Jas. B. Martin, of Barren county.

Sergeant-at-Arms—Robert Tyler, of Bullitt county.

Door-keeper—Richard T. Haley, of Louisville.

Official Reporter—Clarence Walker, of Louisville.

Official Printer—E. Polk Johnson, of Frankfort.

Sure to Go.

A member of the Constitutional Convention has said it and now we are sure to lose the Capital. Let us sit in sackcloth and ashes and pray that our greatest blessing may not be taken from us, and it may perhaps be that the heart of the aforesaid member will relent and he be induced to recall his dreadful words.

The fates have decreed that a package of envelopes shall be the turning point in Frankfort's history. After having enjoyed the society of the Legislature and Constitutional Conventions for nearly a century, to have them lost for such a trivial matter! But fate works strangely and its decrees must stand.

The cause of the wrath of the powers that be being buried upon our devoted heads is this: Soon after the meeting of the Convention a member went into one of the stores in the city to buy a package of envelopes. For this he was charged ten cents. Turning wrathfully upon the salesman the great statesman disdainfully remarked: "Ha! That same package of envelopes can be had in Louisville for five cents. If that is the way you propose to gouge us we will remove the Capital to Louisville." And mark the man well, he will be remembered by future generations to be cursed and execrated as the cause of all our woes—the hateful salesman haughtily remarked—"Well let her go then—but ten cents please."

Grand Fall Opening.

The fall opening of novelties and stamped goods of Mr. J. W. Welch took place on Monday and was a complete success. The display was beautiful and the assortment of goods varied and attractive. All kinds of embroidering materials, finishing materials for fancy articles, silk for throws, table covers, etc., arrasene smyrnase, chenille, rope silk, rope couching, flannel, filo, riversene and various other articles were tastefully displayed in the greatest variety. A new feature, celluloid goods, were introduced and an elegant exhibit it made.

sheets of celluloid, which are also in stock. In addition to all these a complete stock of white goods of all kinds are on hand, and it will do the hearts of the ladies good to drop in and see them.

Double Tracking.

The L. & N. is rapidly completing its double track from Louisville to LaGrange. The track is being ballasted with stone, and will be as fine a piece of roadbed as there is in the whole system. The business between Louisville and the junction of the Lexington and Cincinnati branches has become such as to necessitate the double track.

Fire Near the Forks.

The residence of Mrs. Eliza Trimble, near the Forks of Elkhorn, known as the old Chinn place, was destroyed by fire about 3 o'clock Monday morning. The house was a two-story frame and together with the out-houses was totally destroyed. The flames spread so rapidly that very little of the furniture could be saved. The loss is about \$3,500, with \$2,500 insurance upon the house.

Good Openings.

The fall session of Dudley Institute, Prof. T. M. Turner principal, opened on Monday with an attendance of sixty-seven scholars—thirty-six young ladies and thirty-one young men.

Death of Capt. Newton Craig.

Capt. Newton Craig, a gentleman well known in this city, died at his home in Scott county, on Saturday, aged 83 years. He was lessee of the Kentucky penitentiary for several years back in the '60s, and represented Scott county in the Legislature of 1873-4. For many years he spent much of his time in this city during the sitting of the Legislature. His funeral took place Sunday afternoon, the services being conducted by Rev. J. M. Lewis.

MEMORIAL SERVICES.

In Honor of a Noble, Christian Woman.

On the Sunday morning after the death of Mrs. Kate R. Venable, in this city the regular services at the Presbyterian Church in Denison, Texas, of which she was a member, were dispensed with and a memorial service in her honor was held, at which an elegant eulogy was pronounced and the following resolution, which had previously been adopted by the session, was unanimously adopted by the congregation:

At a meeting of Session of this church, held Sabbath morning, August 3d, the following resolutions were adopted and ordered served upon the minutes:

Resolved, that we, the members of our Gracious Heavenly Father to remove from among us our beloved sister in the Lord, Mrs. Kate R. Venable.

Resolved, in the death of Mrs. Venable we, as a church, have sustained a loss which seems irreparable, she having for so long a time been so active in a Christian work, so instant in season, out of season, "Rejoicing in hope, patient in tribulation, continuing instant in prayer." By her consistent walk and conversation her daily life was a living epistle, a worthy example to follow.

Resolved, We bear cheerful testimony to her real and activity in all church work; always prompt attendance on all services. No sacrifice seem too great, if the Master's cause could be promoted.

Resolved, We extend our sympathies to the daughter and brother in this, their hour of affliction; commend to the mercies of our Heavenly Father, so often quoted and adopted by our departed sister, "Not my will, but thine."

Resolved, That a copy of these resolutions be sent her daughter, Mrs. J. L. Duacan, and her brother, W. T. Reading.

Repairing the Pipe.

On Monday an experienced diver arrived in the city, having been brought here from Cincinnati by the Water Company, to take up and repair the break in the fourteen-inch water main pipe lying upon the bottom of the river, which was broken during the high water of last spring. Owing to a delay in the shipment of the air pump work was not commenced until Wednesday, but will be pushed along until completed.

Mr. Willis L. Wayts, of Georgetown, and Miss Marian Woolford, of Lancaster, were married at the latter place on Wednesday. The affair is spoken of as the affair of the season in that place. Mr. Wayts' many friends in his old home extend their best wishes for a long and happy married life.

A Man of Fame.

The visits of Dr. Rea are becoming more and more important every month. And hundreds of patients have been cured by his treatment. As a professional man none stand higher and as a student none more thorough. The Dr. holds diplomas from some of the best colleges of America and has practiced in the largest institutions in the world. May his trips be long and prosperous.

Failures in Life.

People fail in many ways. In business, in morality, in religion, in happiness, and in health. A weak heart is often an unexpected cause in failure in life. If the blood does not circulate properly in the lungs, there is shortness of breath, asthma, etc.; in the brain, dizziness, headache, etc.; in the stomach, wind, pain, indigestion, faint spells, etc. In the liver, torpidity, congestion, etc. Pain in the left side, shoulder and stomach is caused by heart strain. For all these maladies Dr. Miles' New Cure for the heart and lungs is the best remedy. Sold, guaranteed and recommended by J. W. Gayle, Frankfort, Ky. Treatise free.

Eczema From Childhood.

When an infant my body broke out all over with an eruption or rash, which became more aggravated as I grew older. From early childhood until I was grown my family spent a fortune trying to cure me of the disease. Every noted physician in our section was tried or consulted. When I came of age I visited Hot Springs, Ark., and was tried there by the best medical men, but was not benefited. After that, under the advice of a noted specialist, I tried the celebrated Clifton Springs, New York, without any good results. When all things had failed I determined to try S. S. S., and in four months was entirely cured. The terrible Eczema was all gone, not a sign left; my general health built up, and I have never had any return of the disease. I have since recommended S. S. S. to a number of friends for skin diseases, eruptions, etc., and have never known of a failure to cure.

C. H. BOGMAN, M. D.

The Eminent Specialist, formerly resident Physician of the Philadelphia General Hospital, Physician in charge of the Ohio Medical Institute, Cincinnati, Ohio, has for twenty five years successfully devoted his time to the treatment of his specialties. He successfully treats a large number of cases of Chronic and Nervous Diseases. His treatment is based on the largest experience after thorough educational preparation.

Rheumatism is essentially a disease of the nervous system, as all true investigations prove beyond a doubt. Acting agencies. The degeneration and heart affections resulting from rheumatic inflammation may all be avoided by a careful use of our treatment.

Bright's Disease of the Kidneys is the result of faulty nutrition, over-exhaustion, or the use of improper remedies to increase the flow of urine.**Diseases of the Digestive Organs** are the most frequent causes of the more fatal diseases. Indigestion, Liver Complaint, Constipation and Chronic Diarrhea, all result in imperfect nutrition, and render life miserable. Early intervention is the true remedy of time, money and health.**Young Men**, who are rapidly accumulating physical and mental debility, will do well to consult our advice. These habits are the result of dissipation and vice, and we can cure you without fail. We invite your fullest confidence and prompt response.**Older-Aged Men** who observe certain irritations of the bladder and urinary water passages, with tenderness in the groin, should avail themselves of our treatment. Such symptoms are indications of seminal weakness, which admit of no delay.

Every person consulting us should bring or send four to six ounces of their urine, which we will submit to a thorough microscopic examination and chemical analysis, a certificate and chart of results.

We cure old cases which have baffled the skill of other physicians—Why? Because our extensive experience enables us to recognize the causes of disease. We invite all who have failed to obtain relief elsewhere to consult us. All curable cases are guaranteed.

Patients treated by mail and express. Where possible personal consultation is preferable. List of questions sent free on application.

All cases and correspondence strictly confidential. Treatment sent C. O. D. to any part of the United States and Canada. Address with stamp for reply.

Right You Are.

There is one feature of the reunion at Lawrenceburg on Wednesday last, on which the leaders wish to make special mention. The Kentucky Military Institute, of Farmdale, Ky., for so many years connected with the education and training of Kentucky youth, sent a company as escort to the veterans of the Lost Cause.

One thing that marked and emphasized this occasion of universal peace and kindly feeling was that in the ranks of the cadets were boys from the Great Lakes to the Gulf, from the Alleghenies to the Rockies. Two of the young officers were from north of the Ohio, and among the files were boys who loved the blue.

The bright, manly appearance of the young soldiers, the firm, yet quite way in which they did their duty as guards, set to protect "begins upon a stretcher," and, above all, their absolute gentlemanliness, elicited on every side, the warmest and well-merited praise.

On talking with some of these young gentlemen it was found that they held it a point of honor among themselves to be quiet and polite, and to touch no liquor of any kind. This feeling, which is encouraged and fostered in them, raises the plane of manhood and gives tone to the

best seen for a day, and the officers have just cause to be proud of the applause, shouted forth by the weather-beaten veterans, and of the praises murmured so sweetly by cupid's corn.

The manual was exact, in splendid cadence, and executed with a snap and precision that stamped the whole as approaching very nearly to perfection. The cold, critical eye of the expert tactician, was not offended by carelessness in small matters of detail, and approval was forced from the most captious, when the stack and the different firings were gone through with. The evolutions were of high grade, and some of the double line movements superb.

Lexington's fair daughter, Miss Lucy Lee Hill, a universal favorite among ex-Confederates, spurred the crowd on to new efforts by wearing their colors as sponsor.

The leader tenders congratulations to the superintendent, Colonel Boyd, and to Colonel Moore, the accomplished commander of the cadets. —Lexington Leader.

Forks of Elkhorn.

Delightful temperature last week. Tobacco cutting in progress. The crop is much better than at first anticipated.

Mr. M. B. Lucas, wife and daughter, Mattie, and son, T. J., visited relatives in Woodford county last week.

Quite a number of ladies and gentlemen of our populace attended the fair at Paris last week.

Rev. J. Morgan Wells, of Fort Worth, Texas, preached at Providence last Sunday.

The Democratic meeting last Saturday resulted in the choice of T. W. Scott for county committeeman from this district.

Regular services at Buck Run to-day and to-morrow at the usual hours. The meeting will be protracted for a week or two.

Our school is now in full progress with C. H. Parrott and wife as teachers. The opening was better than any previous session.

County Superintendent Hunter and Rev. T. E. Utterback visited the school Thursday last week.

Quite a spirit of improvement is manifesting itself in our village at present. During the past month or two several structures have been reared, and still there is more to follow.

Mr. Calvin Greenup is now domiciled in his new house, having taken possession last Monday.

Mr. S. Hinde returned to his home at St. Louis last week. His short

stay in our midst being occasioned by illness.

Mr. R. C. Church has about completed his half mile race track.

The recent heavy rains have been of great benefit to the farmers in enabling them to have their land broken, ready for seeding.

Mrs. Mary Harn died very suddenly Aug. 31, 1890, at her late residence near this place, aged 62 years. Her life as seen by those who knew her was consistent with the christian religion. The funeral sermon was preached by Rev. Hiram Ford, after which the remains were conveyed to Lexington for interment.

Last Monday morning about 3 o'clock Mrs. Eliza Trimble's dwelling and attachments were discovered to be on fire, and before the necessary assistance could be rendered, the devouring elements had gained such headway as to be beyond control. Consequently the whole structure was soon a mass of smoldering ruins. A considerable number of valuable articles were destroyed, notably a fine piano and book case, the latter the property of Capt. W. T. B. South. The loss is partly covered by insurance. The origin of the fire is not certainly known, supposed, however, to be caused by a defective flue.

Mr. F. T. Flinchum, section boss on the K. M., together with his family, have taken up their residence in our burg.

Rev. M. T. Paradis and wife, of Illinois, are the guests of Mr. Howard Sedman and wife.

Geo. Goddard has returned home from a two weeks' visit to relatives in Lexington.

Mrs. Naomie Ely and daughter, Miss Mattie, of Lexington, are the guests of Mr. J. F. Goddard and family.

Dr. Breeding, of Glasgow, says: "My chickens are thriffter, healthier, finer, larger, and have beautiful plumage since I began using Gantner's magic chicken cholera cure." For sale by Phil Carpenter.

LOUISVILLE TOBACCO MARKET.

FURNISHED BY GLOVER & DURRETT, LOUISVILLE TOBACCO WAREHOUSE.

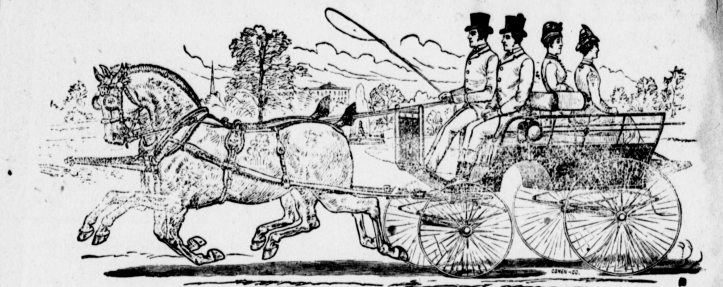

Sales on our market for the week just closed amount to 3,413 hds., with receipts for the same period of 2,612 hds. Sales on our market since January 1st amount to 108,357 hds.

The market for Burley tobacco this week has not shown any weakening tendency for the good grades in sweet condition or for colored common grades, but common and medium grades without high color and all tobacco out of condition is somewhat weaker, and we find it necessary to change quotations for such. The recent weather condition have been highly favorable for the growing crop and its improvement has surpassed expectations, and with two weeks more of good maturing weather we would expect to see more than the usual quantity of good useful tobacco housed, but expect the crop to be difficult in high color.

The following quotations fairly represent our market for burley tobacco:

Tobacco (dark) or damaged	\$2 50 @	\$3 50
Colony trash	4 00 @	8 00
Common lugs not colony	4 00 @	6 00
Colony lugs	8 00 @	14 00
Common leaf	7 00 @	9 00
Medium to good leaf	9 00 @	16 00
Good to fine fillers	16 00 @	25 00
Select or wrappery	25 00 @	33 00
